DETAILED ACTION

Claims 1-28 are pending in this application.

Reason for allowance

Claims 1-28 are allowed. The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed limitations having a method for coating a semiconductor device having a p side and an n side comprising the step of providing a bath containing suspended particles including a first phosphor material and a second phosphor material, the particles of the first phosphor material having mean particle size in the range from about 1 micron to about 6 microns, the particles of the second phosphor material having a mean particle size in the range from about 12 microns to about 25 microns, wherein the particle size distribution of the phosphor material in the bath is bimodal and among other steps cited in independent claims 1 and 15.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Thao P. Le whose telephone number is 571-272-1785. The examiner can normally be reached on M-T (7-6).
